"The Harvest is plentiful, but the workers are few. Ask the Lord of the harvest, therefore, to send out workers into his harvest field." Luke 10:2

The main objectives of Camp Hickory Hill are to present Jesus Christ as Lord and Savior, to begin a process of relating and integrating learned Biblical truths and values into one's life, and to develop disciples, workers and leaders in preparation for a life of Christian service. **We are now asking you to join us to help in fulfilling these objectives through your prayer and financial support.**

We have allowed our collegiate senior leaders and our high school junior leaders to personally raise part or all of their honorarium. This is done to instill in our staff a commitment to service, to increase their prayer base and to increase their honorarium to help with current or future college costs. We believe each member of our staff will benefit spiritually as they take this step of faith and trust the Lord to meet their need.

Here is an excellent opportunity for you to invest in the life of a young person seeking to serve the Lord. We hope you will join us in this ministry by helping to make it possible for this person to serve with us this summer. It is exciting to think of the potential growth this young person may undergo while at Camp Hickory Hill as well as the number of lives he may touch for Christ due to your support.

You may give online at camphickoryhill.org/support or you may fill in the Staff Support Form and return it to the address shown below with your support. The money will be credited to the staff member you name. If this staff member raises more than full support, the extra funds will be rechanneled, with their guidance, either to another leader needing assistance, or to some camp related project or ministry. A receipt will be sent to you as all donations are tax deductible. Also, please pray for the staff member as they serve at camp this summer.

Thank you for partnering with our staff and with Camp Hickory Hill. May God richly bless you for it.

Serving Christ together,
Sam Richbart
Executive Director
