

SAMPLE PERSONAL NOTE

April 23, 2017

Dear Uncle Bob,

I'd like to tell you about an amazing opportunity and privilege which God has placed before me this summer. I am writing to see if you might be a part of it through prayer and financial support.

During all of July and the beginning of August, I will be serving on the Camp Hickory Hill Summer Camp Staff. I am really looking forward to serving again because I have seen God do so many things in the lives of the campers who attend. I also know that I have grown as a result of serving God there.

My role will change each week. I could be a cabin leader, activity leader or program assistant. Each area is very important, but I especially enjoy being a cabin leader. It is exhausting work, but it is so cool to live with, play with, eat with and study God's Word with a bunch of guys. My "job" is to build a relationship with each boy and to share the love of Christ with them.

To be able to do this I'll need a lot of prayer support. I'd like to invite you to be on my prayer team. Also, to be able to participate I'll be like a missionary raising my own financial support. I need to raise \$xxx for the summer. How can you help?

A. Pray for me. If you would like, I can send more detailed information.

B. If you would like to support me financially, there is a form at the bottom of the enclosed letter to do so. I would appreciate any support you can offer as I serve Christ this summer.

Please let me know if you have any questions. Thanks for your consideration of this.

Love,
(Sign your name)
