*IMPORTANT! PLEASE READ:

Please be sure to submit the Health Care Provider Form to your child's pediatrician for their review and signature. Typical school health assessment or sports forms are not acceptable, as they do not authorize general medical care for your child in the event it is required. If your child takes medication, bring enough medication to last the entire time at camp. Keep all medication in the original and current packaging/bottle that identifies the prescribing physician (if a prescription drug), the name of the medication, the dosage, and the frequency of administration.
